3VR's CrimeDex is an online network of fraud, loss prevention, and law enforcement professionals in more than 40 countries, collaborating to prevent fraud, shoplifting, Organized Retail Crime (ORC), and other white collar crimes.

3VR CRIMEDEX FEATURES

Collaborative Online Crime Fighting Community

Share information with thousands of fraud, loss prevention, and law enforcement professionals within a huge base of private and public entities nationwide.

Efficient Investigations, Searchable Database

Search and add to an international database of economic crime data. Identify and investigate links and track criminals.

Powerful Social Networking Features

Share critical information via discussion boards, emails and alerts to solve and prevent crimes more effectively and efficiently. Create private portals for a particular organization, metro area, industry or other areas of interest.

Regional Crime Alerts

Receive regular CrimeDex alerts and updates on criminals targeting your area, using alerts to search for and monitor your cases. Access a searchable library of all past alerts.

Law Enforcement and Public Agency Partnerships

Team with law enforcement and other crime fighting organizations to solve crimes faster.

3VR CRIMEDEX MEMBERSHIP

CrimeDex is available to law enforcement and as a membership benefit of many professional economic crime fighting groups. Members of the International Association of Financial Crimes Investigators (IAFCI), California Financial Crimes Investigators Association (CFCIA), Coalition of Law Enforcement and Retailers (CLEAR), the Wireless Loss Prevention Council (WLPC), and several of the regional Organized Retail Crime Associations (ORCAs) use CrimeDex through their own group portals under the overall CrimeDex umbrella.

For more information on how your group can join under the CrimeDex umbrella please visit www.crimedex.com/membership.

WHAT OUR MEMBERS HAVE TO SAY ABOUT US

"Our case would not have been resolved without CrimeDex"
Harborstone Credit Union

"I am a huge supporter of any effort to combat elder abuse and CrimeDex helps tremendously with these efforts."

SDVV United States Attorney's Office

"I love CrimeDex and I wish I knew about it earlier in my career."

Loudoun County Sheriff's Office

"The very first case I submitted for a CrimeDex alert has resulted in responses from investigators around the country. CrimeDex is a great tool for the travelling theft rings and I will be encouraging more people in my unit to sign up and use it." *Denver Police Department*

"I had a robbery in the Detroit Metro Area, and we had no leads from the news. I sent out a CrimeDex alert and received a response from a non affected FI in Chicago, stating a serial robber with a similar description was in their area. It was a match. They are surveillancing him this morning, and he should be in custody by tomorrow. I LOVE CRIMEDEX!"

Community Choice Credit Union

"Thank you very much for helping me with the Crime Alert for my case! I have already gotten two calls with others investigating the same group and now we are going to work together! This will save a mountain of time and will build a much stronger case. Crimedex is such a great idea and I will continue to spread the word about it."

Lancaster County Sheriff's Office

"We just matched up a Fifth/Third Bank alert from yesterday of a suspect withdrawing funds in New York with a RBS Citizens Bank Alert today of the same suspect in Chicago. Man how I love this Crimedex system!"

Fifth Third Bank

"We are super impressed with how valuable the CrimeDex service is."

Money Smart for Older Adults & Community Networks Program

"Another great example of CrimeDex helping to connect cases in multiple states!"

Wauwatosa Police Department, US Secret Service Milwaukee Financial Crimes Task Force

"I love CrimeDex. I solved a case in about 30 minutes due to this site that I did not expect to solve."

Franklin (TN) Police Department

"CrimeDex solves a problem - We had a case where we desperately needed to locate and serve a critical witness who was not cooperative. The sketchy information from an informant was limited to a photo of the house the witness lived in, possibly in Missouri. I put out the bulletin for a colleague and the rest is history."

National Association of Bunco Investigators
